Guide to creating your USP-NF Account

Each user will create an account in USP’s Access Point website, using their university email address, and a password of their choosing.

**Step 1**: Create an account.

**Step 2**: Upon creation of your account an activation link will be sent to your email account for confirmation. Please complete confirmation.

**Step 3**: Please note, you do not need a subscription key.

**Step 4**: On the USP-NF homepage, click on the Login button to enter in your credentials.
